Additional Information

By stacking our Stand-up Donuts on the candle holder, you can easily change the look of your candlestick to suit any season, holiday or occasion.

To free a burnt candle from the Stand-up Candle Holder, first place the socket of the holder into hot (not boiling) water to loosen the wax from the inner edges of the candle's socket. Then carefully push a small object, such as a toothpick, into the hole located on the bottom of the holder to gently nudge the remaining wax from the socket.
